

## USES NATURE'S CREATION; "FEEL FINE," HE SAYS

A. M. Hill, Greensboro, Ind., was sick for 15 years. One physician called his trouble Bright's Disease. His appetite was poor—he was very weak.

Finally he bought a bottle of Nature's Creation. Improvement came at once and two months after he began Nature's Creation treatment, he wrote:

"I am much better since taking Nature's Creation. Two weeks later, on Jan. 14, 1913, he wrote as follows: 'If I could by saying a few words do as much good for suffering humanity as Nature's Creation has done for me, I would gladly do so. It has certainly been the cheapest medicine I ever took. On Feb. 17, 1913, he wrote: 'I am certainly feeling fine and thankful for what Nature's Creation has done for me. I can not praise it too highly. I feel the best I have felt for 15 years. Would be glad to recommend it to other sufferers.'"

In his latest statement, Mr. Hill says: "I am feeling fine. Am sending my photo—not a very good one, but the best I have at present. A. M. Hill, Greensboro, Ind." ## SAYS SHE WAS WED TO AMBASSADOR'S SON

Young Woman Brings Suit Against  
Charlemagne Tower For  
Alienation.

PHILADELPHIA, Oct. 10.—Claim-  
ing that she was married to Char-  
lemagne Tower, Jr., on June 7, 1911, in  
New Haven Conn., Mrs. Georgianna  
Tower, formerly Miss Burdick, has  
brought suit against Charlemagne  
Tower, former ambassador to Germany  
for alienation of her husband's affec-  
tions.

She is 23 years old and formerly  
lived in New Haven. Young Tower  
is 26 and was a junior at Yale when  
she met him. A desire that he secure  
his diploma, she says, prevented an  
earlier announcement of the marriage.  
Members of her family were told  
she says, and she lived with her hus-  
band at her mother's home in New  
Haven and subsequently in New York.  
She declares she visited the former  
ambassador here and was received  
most courteously until she refused to  
sign a paper that there had never  
been an engagement or marriage.

Last spring there was a report here  
that young Tower had been married,  
but this was denied by both him and  
his father. It was also reported that  
he made a categorical denial to the  
Yale family.

## WAS PAID \$500 FOR MURDERING A WOMAN

Burr Laford Harris Says Another  
Negro Acted For A Third  
Party.

LOS ANGELES, Oct. 10.—Burr La-  
ford Harris, the Negro who confessed to  
beating Mrs. Rebecca P. Gay, a  
Christian Science healer, to death  
Sept. 25, told the police that he was  
paid \$500 to murder the woman. He  
implicated another Negro as having  
acted as agent for a third party, but  
did not disclose the name of either.  
Harris said he met the other Negro  
at a point south of San Diego, after  
the killing, received the money and  
buried it near the customs station at  
Tia Juana.

The Negro's supplementary confession  
supports the original theory of the  
police that Mrs. Gay had been  
killed by a paid assassin at the insti-  
gation of her enemies.

## OLIVER GETS 2 TO 14 YEARS IN PEN

Presence of Deserted Wife From  
South Bend Breaks Nerve of  
Young Crook.

SPECIAL TO NEWS-TIMES.  
LA PORTE, Oct. 10.—Leonard Ol-  
iver, with a police record in Indiana  
cities a yard long, who has also served  
time in state's prison, was sentenced  
by Judge Gallaher Thursday to 2 to  
14 years in the pen for robbing Mrs.  
John Flentyle of several hundred dol-  
lars worth of diamonds on the night  
of July 2. He asked her to go buggy  
riding and then robbed her at a lonely  
spot on a country road.

Oliver held up a good front con-  
cerning his innocence until Thursday  
morning. Then when he knew that  
he would be confronted by Mabel  
Wagner, whom he had married in  
South Bend and robbed the morning  
of their wedding day, he gave up and  
asked for leniency.

On condition that he reveal the  
present ownership of the rings he stole  
he was allowed to plead guilty to  
grand larceny, which carries a lighter  
penalty than highway robbery. Oliver  
Cutting of South Bend was here look-  
ing after that end of the case.

## FIGHTING NEWSPAPER MAN GETS BIG POST

JAS. H. BARRY.

The three greatest assets of Jas.  
H. Barry recently appointed naval  
officer of the port of San Francisco,  
are:

Moral courage.  
Faith in his fellow man.  
A keen sense of humor.

Nearly 30 years ago Barry founded  
the Weekly Star. Then San Francis-  
co was ridden by the worst criminal  
element in her history. Because of  
Barry's fearless attacks on the ring  
it was cleaned up, though it nearly  
cost him his life.

Because he criticized a judge, he  
was sent to jail for contempt of court,  
being denied a jury trial. This re-  
sulted in the Barry law, which de-  
prived a judge of the power to punish  
a critic without conviction by jury.

Through the Star Barry has fought  
fearlessly for the right. It was the  
first paper to advocate the Australian  
ballot, the initiative and recall, all of  
which have been realized. The Star  
is the oldest paper in the world to  
advocate single tax. The Star was  
never run for profit. Barry earned  
his living from his publishing and  
job printing house.

"I have started 20 times or more to  
write the Swan Song of the Star, but  
I couldn't do it. I had to keep on in  
the course that I had mapped out."

The post of naval officer has no re-  
lation to naval affairs, although the  
title gives that impression. The of-  
fice is a very important one because  
the naval officer is the auditor of the  
customs service. It requires a man of  
sterling honesty and integrity. That  
is why Barry got the job.

## BACKACHE A WARNING YOU SHOULD HEED

It is One of Nature's First Signs  
of Kidney Troubles, if Neg-  
lected Serious Diseases  
May Follow.

When the kidneys are clogged up  
and inactive, nature has a way of  
warning you.  
Backache is one of the first symp-  
toms. You may also be troubled with  
disagreeable, annoying bladder disor-  
ders; have attacks of lumbago or  
rheumatism; become nervous, tired  
and feel all worn out; puffy swellings  
show under the eyes or in the feet and  
ankles; and many other symptoms are  
noticed. If they are neglected, dropsy,  
diabetes, or Bright's Disease, which  
so often prove fatal, may re-  
sult.

It is not only dangerous, but need-  
less for you to suffer and endure the  
tortures of these troubles, when a lit-  
tle Croxone now will quickly and  
surely end all such misery.

There is no more effective remedy  
known for all such troubles than  
Croxone, because it reaches the cause.  
It seeks right into the kidneys,  
through the walls and linings; cleans  
out the clogged up pores; neutralizes  
and dissolves the poisonous uric acid  
and waste matter that lodge in the  
joints and muscles and cause these  
terrible rheumatic pains, and makes  
the kidneys filter and sift the poison  
out of the blood and drive it from the  
system.

You will find Croxone different  
from all other remedies. It is prac-  
tically impossible to take it without  
results.

An original package costs but a  
trifle, and all druggists are authorized  
to return the purchase price if Crox-  
one should fail in a single case. Three  
doses a day for a few days is often all  
that is ever needed to end the worst  
backache, relieve rheumatic pains, or  
overcome urinary disorders.—Adver-  
tisement.

claims to be the father of 51 children,  
was arrested here and taken to Mus-  
kogee Thursday to answer a charge  
of contempt of court, growing out of  
a guardianship matter.

Roberts says he can establish his  
claim to having the largest family in  
the United States and possibly in the  
world. He was first married in 1867  
and of that union 19 children were  
born. He has been married several  
times since and says he has 33 chil-  
dren living.
